1. That vide findings under Rule 18(17) of the Chartered Accountants (Procedure of Investigations of Professional and Other Misconduct and Conduct of Cases) Rules, 2007, the Disciplinary Committee was inter-alia of the opinion that **CA. Subhra Kumar Kundu (M. No. 053515)** (hereinafter referred to as the **Respondent**) was **GUILTY** of professional misconduct falling within the meaning of Clause (1) of Part II of the Second Schedule to the Chartered Accountants Act 1949.
2. That pursuant to the said findings, an action under Section 21B(3) of the Chartered Accountants (Amendment) Act, 2006 was contemplated against the Respondent and a communication was addressed to him thereby granting opportunities of being heard in person / through video conferencing and to make written & verbal representation before the Committee on 22.03.2023.
3. The Committee noted that on the date of hearing held on 22.03.2023, the Respondent was present through video conferencing and the Respondent made his verbal submissions on the findings of the Disciplinary Committee. The Committee also noted that the Respondent has also sent details containing list of audits done by under Section 44AD/AE/AF of the Income Tax Act, 1961.
4. The Committee considered the reasoning as contained in findings holding the Respondent Guilty of professional misconduct vis-à-vis written & verbal representation of the Respondent. The Committee observed that the Respondent has claimed that he has done 132 and 140 audits under Section 44AD/AE/AF during the financial years 2010-11 and 2011-12 respectively.

(Set up by an Act of Parliament)

5. Keeping in view the facts and circumstances of the case, material on record including verbal & written representations on the findings, the Committee is of the view that even after giving the benefit of audits claimed to have been conducted under section 44AD/AE/AF of the Income Tax Act, 1961, it is seen that the total number of audits continues to exceed the maximum permissible limit of 45 audits and hence the professional misconduct on the part of the Respondent is established, and the ends of justice would be met if reasonable punishment is awarded to the Respondent in this case. Accordingly, the Committee ordered that a fine of Rs.2,25,000/- (Rupees Two Lakh Twenty-Five Thousand only) be imposed upon the Respondent i.e., CA. Subhra Kumar Kundu (M. No. 053515), to be paid within 90 days of receipt of the Order. If the Respondent fails to pay the fine within the stipulated period, his name be removed from the Register of Member for a period of one month.

BRIEF FACTS OF THE PROCEEDINGS:

3. On the day of hearing i.e. 15th June, 2022, the Committee noted that the Respondent was not present, but his Counsel was present. On being enquired from the Counsel for the Respondent, he pleaded not guilty to the charges and requested the Committee to allow him to make his submissions in the matter. On request of the Counsel for the Respondent, the Committee allowed him to make his submission in the matter. Thereafter, the Counsel for the Respondent made his submissions in the matter and also confirmed that he had not filed any petition in the matter. After hearing the submissions of the Respondent, the Committee decided to conclude the hearing in the above matter. With this, the hearing in the above matter was concluded.

FINDINGS OF THE COMMITTEE:

4. Before giving findings in the matter, the Committee noted the following background about the facts which are given here-in-below:

- 4.1 Section 44AB of the Income-tax Act, 1961 came into force w.e.f. 01.04.1985. The Government of India, Ministry of Finance, Department of Revenue (CBDT), New Delhi, examined the tax audit reports submitted by Chartered Accountants in a large number of cases, pursuant to introduction of Section 44AB, in the next two years or so. It was noticed by the Government that some of the auditors were completing around fifty (50) audits in a month, which resulted in deterioration of the quality of audit. It was therefore suggested to the

Government by the Tax Authorities in the field, that the Government may fix the maximum number of audits, which an auditor may be allowed to undertake under the provisions of Section 44AB of the Income-tax Act, 1961, on the same lines, as Section 224 of the Companies Act, 1956, whereby the number of company audits which a Chartered Accountant could do had been restricted to twenty (20).

- 4.2 In light of the aforesaid facts, the Government of India, Ministry of Finance, Department of Revenue (CBDT), New Delhi wrote a letter dated 19th January 1988 to the then Secretary of the Institute, seeking his comments, regarding the suggestion of restricting the number of tax audits which a Chartered Accountant might be permitted to complete in a year, under section 44AB of the Income Tax Act, 1961.
- 4.3 The aforesaid letter dated 19th January, 1988 was considered firstly by the Professional Development Committee (PDC) of the Institute, and thereafter by the Council of the Institute, in its 133rd meeting held on 28th/30th April, 1988. After detailed deliberations, the then Council of the Institute in its said meeting decided to put a ceiling of thirty (30) tax audit assignments w.e.f. 1st April, 1989.
- 4.4 Pursuant to the above, and in exercise of the powers conferred by Clause (ii) of Part II of the Second Schedule to the Act (as it then stood), the Council of the Institute issued a notification bearing No. 1-CA(7)/3/88 dated 13th January, 1989 specifying that a member of the Institute in practice shall be deemed to be guilty of professional misconduct, if he accepted in a financial year, more than specified number of tax audit assignments under Section 44AB of the Income-tax Act, 1961. The then specified number being 30 in a financial year, whether in respect of corporate or non-corporate assessees. Subsequent to the above, the matter was considered number of times by Council with regard to revision of ceiling on the number of tax audits and the same was increased from 30 to 45 in the year 2007, which has been further increased to 60 in the year 2014 by the Council of the Institute. Considering that the turnover of the limit of tax audit has been increased from Rs. 40 Lakhs to Rs. 1 Crore in recent years, the Council decided, that no change is required in the existing tax audit limit prescribed by the ICAI by way of Guidelines.
- 4.5 It may be noted that Section 15 of the Act enumerates the functions to be performed by the Council apart from the general functions to carry out the objects of the Act. Under Section 15(2)(j), it is one of the functions of the Council **“to regulate and maintain the status and standard of professional qualifications of members of the Institute”**. Accordingly, each of these Notifications had been issued by the Council of the Institute after considering the report of the PDC; and the **whole object thereof was to ensure efficiency, improve the quality of service, ensure maintenance of high standards of performance in the field of tax audit assignments, ensure timely completion of audits and filing of tax returns by the assessees**. In other words, there was a definite public purpose involving the very object of preventing evasion of taxes, plugging loopholes, enabling tax avoidance, and also facilitate tax administration to ensure that the economic system does not

result in concentration of wealth to the common detriment, with which the Parliament enacted section 44AB of the Income-tax Act, 1961, as already discussed hereinabove; which object was also noticed and recorded by the Wanchoo Committee, while recommending compulsory audit of accounts, as early as December, 1971 (**emphasis provided**).

- 4.6 The Chartered Accountants Act, 1949 was amended by the Parliament by the Chartered Accountants (Amendment) Act, 2006, which came into force on 17th November, 2006. After, the amendments in the Chartered Accountants Act, 1949 in 2006, the notifications were superseded by the guidelines.
- 4.7 After the Amendment Act of 2006, the erstwhile Notifications were superseded by Guidelines bearing No.1-CA (7)/02/2008 dated 8th August, 2008.
- Para 1.2 of the said Guidelines, 'Applicability of the Guidelines', states that it shall be applicable to all the Members of the Institute, whether in practice or not, wherever the context so requires.
 - Chapter VI of the said Guidelines deal with "Tax Audit Assignments under section 44AB of Income Tax Act, 1961", It is submitted that the said Chapter VI of the Guidelines is the subject matter of various Writ Petitions filed before different High Courts and it is for transfer of these Writ Petitions from various High Courts to the Supreme Court of India.
 - It may also be noted that Chapter VIII of the said Guidelines supersedes the said earlier Notification dated 08.05.2001; and Chapter IX supersedes the said earlier Notification dated 8th March, 2002.
- 4.8 It is pertinent to note that the said restriction confines only to the audit assignments under Section 44AB of the Income Tax Act, 1961. There is no restriction as far as the other audit works. Further, Tax audit assignment is a time-bound assignment in the case of those coming under Section **44AB** of the Income-tax Act and unlike other professional fields, the work of audit requires precision. The certificate of audit issued by a Chartered Accountant has statutory force for the purpose of Income Tax whereas a Chartered Accountant in practice is free to accept audits under Sections 44AD, and 44AE of the Income-tax Act, 1961 without any limit. Taking note of all these relevant factors, it cannot be said that ceiling of tax audit limit is in any way unreasonable or discriminatory. Therefore, there is no basis for the contention that there is violation of Article 14 or Article 19(1)(g) of the Constitution of India.
- 4.9 Such restriction on audit assignment is similar to that as imposed under Section sub-section (1B) of section 224 of the Companies Act, 1956 read with Explanations 1 & 2 there under or that imposed under Section 141(3)(g) of the Companies Act, 2013 wherein a Chartered Accountant is not permitted to audit more than 20 companies in a financial year. The said limit earlier excluded private limited companies. However, later Act excludes one person

companies, dormant companies, small companies and private companies having paid-up share capital less than Rs. 100 crores.

- 4.10 In view of above, the Council, which is duty-bound to regulate the professionals, i.e. the Chartered Accountants, has considered it fit to put such restrictions in the interest of the profession. It is regulatory in nature and such regulation is permissible under the Chartered Accountants Act, 1949. The Guidelines do not in any way affect the rights of the Chartered Accountant under the Constitution of India being only a reasonable restriction.
- 4.11 In the process of regulating and maintaining the status of chartered accountant, the measures taken to put a cap on tax audit assignments are intended to maintain and improve the quality of work and cannot in any way be stated to be an unreasonable restriction. Such restrictions are necessary for maintaining the status of Chartered Accountants and also for ensuring quality of work by Chartered Accountants.
- 4.12 This Act seeks to regulate the profession and hence the guidelines is made to ensure maintenance of quality and standards in the work done by the Chartered Accountants which is indisputably in furtherance of the statutory duty cast upon the ICAI to regulate the profession of Chartered Accountants.
- 4.13 In view of the above, the Council after consideration of all relevant material and facts as also the nature of tax audits, had found such a ceiling to be necessary in the larger interest of the profession and the guidelines on the tax audit assignment under Section 44AB of the Income Tax Act, 1961.
- 4.14 The Committee also noted the similar restrictions are upheld in number of other activities in the interest of society at large. In the case of Virginia Tobacco Growers Association Vs Respondent: Union of India and Ors. (MANU/AP/0745/2000), there was charges for discrimination under Section 8 of Tobacco Board Act and Article 19 (1) (g) of Constitution of India to check whether Tobacco Board had authority to declare crop holiday for FCV virginia tobacco in State of Andhra Pradesh and whether it was a reasonable restriction on tobacco trade as under Section 19 (1) (g) by declaring crop holiday to save exploitation wherein it has held by Hon'ble High Court that Board is justified in treating State of Andhra Pradesh as different and distinct area for declaration of crop holiday.
- 4.15 The Committee also noted that the Respondent mentioned that the ICAI cannot impose restriction. In view of that the Committee noted the observations of the Supreme Court in Jyoti Prasad's case stating as follows:

"Where the legislature fulfills its purpose and enacts laws, which in its wisdom, to considered necessary for the solution of what after all is a very human problem the tests of "reasonableness" have to be viewed in the context of the issues which faced the legislature. In the constitution of such laws and particularly in judging of their validity the Courts have necessarily to approach it from the point of view of furthering the social interest which it is the purpose of the legislation to promote, for the Courts, are not in these matters, functioning as it were in vacuum, but as parts of a society which is

trying by enacted law to solve its problems and achieve a social concord and peaceful adjustment and thus furthering the moral and material progress of the community as a whole”.

- 4.16 The Committee noted in the case of State of Uttar Pradesh v. Kaushailya MANU/SC/0091/1963: [1964]4SCR1002 (a decision of 5 Judges Bench), it was held:

The reasonableness of a restriction depends upon the values of life in a society, the circumstances obtaining at a particular point of time when the restriction is imposed, the degree and the urgency of the evil sought to be controlled and similar others. If in a particular locality the vice of prostitution is endemic degrading those he live by prostitution and demoralizing others who come into contact with them the Legislature may have to impose severe restrictions on the right of the prostitute to move about and to live in a house of her choice. If the evil is rampant, it may also be necessary to provide for deporting the worst of. them from the area of their operation. The magnitude of the evil and the urgency of the reform may require such drastic remedies. It cannot be gainsaid that the vice of prostitution is rampant in various parts of the country. There cannot be two views on the question of its control and regulation. One of the objects of the Act is to control the growing evil of prostitution in public places. Under Section 20 of the Act the freedom of movement and residence are regulated, but, as we have stated earlier, an effective and safe judicial machinery is provided to carry out the objects of the Act. The said restrictions placed upon them are certainly in the interests of the general public and, as the imposition of the restrictions is done through a judicial process on the basis of a clearly disclosed policy, the said restrictions are clearly reasonable”.

5. The Committee noted that it was alleged that the Respondent has conducted 203 and 254 Tax Audits during the financial years 2010-11 and 2011-12 respectively which is apparently in violation of the Council General Guidelines, No.1-CA(7)/02/2008, dated 8th August, 2008, wherein under Chapter VI "Tax Audit assignments under Section 44AB of the Income-tax Act, 1961", in Explanation given in Para 6.1, in sub-para(a) & (b) it states that :

“the specified number of tax audit assignments” means –

- (a) *in the case of a Chartered Accountant in practice or a proprietary firm of Chartered Accountants, 45 tax audit assignments, in a financial year, whether in case of corporate or non-corporate assesses.*
- (b) *in the case of firm of Chartered Accountants in practice, 45 tax audit assignments per partner in the firm, in a financial year, whether in respect of corporate or non-corporate assesses.*

6. It may further be noted that vide Announcement dated 11.02.2014, hosted on Institute's website, the said limit was increased to 60 in place of 45 for the Financial year 2014-15 and onwards. However, the same is not applicable in the instant matter as the charge in the instant matter pertains to the audit done during the financial years 2010-11 and 2011-12. The Committee noted that the Respondent raised various objections in the instant matter which are dealt with herein as under:-

i) a) The Respondent stated that inquiry against him was initiated based on reference received from internal department of ICAI and no information was received in the matter as per rule. In this regard, it is clarified that upon receipt of reference from TAMC, information case was initiated against the Respondent. It is also clarified that after seeking clarification from concerned member(s) on number of audit done by them u/s 44AB and 44AD/AE/AF, TAMC has referred the matter to the Disciplinary Directorate where Council Guidelines 2008 appears to have been violated by the member(s) by doing audit u/s 44AB in excess of the limit specified in the said Guidelines.

b) It is further clarified that ICAI has been set up under a statute for purposes of "regulation of the profession of Chartered Accountants". A premier professional body cannot limit its oversight functions on technicalities and is expected to play proactive role for upholding ethics and values of the profession by going into all connected and incidental issues. The courts in India have consistently held that the profession of Chartered Accountant is a noble profession and is regulated by the norms of behavior of its members which are universally recognized. The ICAI is under a duty to ensure that the members keep up to the high standards that govern the profession.

c) Chapter V of the Act deals with provisions relating to misconduct by chartered accountants registered under the Act and lays down the mechanism for disciplinary proceedings against such persons for their misconduct. Section 21(1) provides for setting up of a Disciplinary Directorate for regulating the said mechanism to investigate on "any information" and complaint. Sub-clause 2 provides that the Director shall form a prima facie opinion on the occurrence of the alleged misconduct on receipt of **any information or complaint**. It requires to be noticed that a specific disjunctive expression 'or' is given in the above stated Section 21(1) which clearly indicates that the expressions 'information' and 'complaint' are to be read separately and distinctively. The expression 'any information' entails that the Directorate can act upon any source of information for initiating inquiries under the said scheme of the Act. The expression 'any' permits a wide interpretation in deciding a question what constitutes information for initiating proceedings under the Act. Hence, the submission made by the Respondent regarding treating the allegation as "Information" is erroneous and not tenable.

ii) As regard the objection relating to adherence to time limit prescribed in the CA Rules, 2007, it needs to be clarified that the timelines prescribed in CA Rules are with an intention to expedite and ensure timely completion of the disciplinary proceedings and it is not the intent of legislation to render any information / complaint defunct / invalid merely on the ground of procedural time lag, if any occurred. Therefore, this plea of the Respondent is not maintainable.

iii) In respect of the request of the Respondent to keep the matter in abeyance till the disposal of the similar matters pending before the Hon'ble Supreme Court of India, it is clarified that there was no stay on the proceedings of the Disciplinary Committee proceedings in the instant matter and further, Council

Guidelines, 2008 were not quashed or set aside, although it has been challenged before various court of law in other cases, accordingly, the request of the Respondent is not acceptable.

7. The Committee noted that the Respondent was a partner of the firm, M/s. S.K. Kundu & Associates (FRN 318005E) and there was total 4 partners in the firm. Though the Respondent claimed that audits were conducted on behalf of the firm yet he did not submit affidavit of others partners with regard to fact that number of tax audit conducted by them do not exceed the prescribed limit. Accordingly, it is decided not to grant any benefit in respect of limit of other partners. It is relevant to mention that the Respondent at prima facie stage admitted mistake of doing tax audit beyond the prescribed limit but now at hearing stage, the Respondent tried to take shelter under the technical submissions which have been duly dealt with in the preceding paragraphs. The Committee further noted that during the course of hearing, the Respondent failed to bring on record documentary evidence in support of audits conducted by him u/s 44AD/AE/AF of the Income Tax Act, 1961 during the financial years 2010-11 & 2011-12. Hence, the Committee was not inclined to extend benefit with regard to the audit conducted u/s 44AD/AE/AF at this stage. Thus, the Committee noted that total 367 tax audits in aggregate u/s 44AB were conducted during the financial years 2010-11 and 2011-12 in excess of the maximum limit specified by the Council General Guidelines. The year-wise bifurcation of which is as under:-

	During the Financial year 2010-11	During the Financial year 2011-12
Total Audit done	203	254
Less : Limit of the Respondent	45	45
Less : Tax audit u/s 44AD/AE/AF (for which documentary evidence / details submitted)	0	0
Excess tax audit U/s 44AB	158	209

Accordingly, the Committee is of the view that being a member of the Institute, the Respondent was expected to adopt the highest standard of ethical behavior and professional compliance of the Council General Guidelines, but he failed to do so.

Conclusion:

8. In view of above noted facts and discussion, in the considered opinion of the Committee, the Respondent is **GUILTY** of professional misconduct falling within the meaning of Clause (1) of Part II of the Second Schedule to the Chartered Accountant Act, 1949.
